Letter from the President

Spring is trying to appear, especially with all the rain but we do have a cold front coming. We will be covering the greens Sat. March 2nd, I hope this is the last cold blast. We do have high school golfers on the course and their matches start this week. I will post all dates at the pro shop and include below. Along with high school schedule, the golf course committee has Oaks CC tournament schedule. The first tournament is a "fertilizer" tournament; funds from the tournament will help boost the maintenance budget. April 20th is the date if weather permits. Depending on the numbers of players will decide what game, but the format will be a 2 man. (Member-Member or Member-Guest, but NOT Guest-Guest.) Please come out and support the club, a lunch will be provided. You do not have to be a player to come out and enjoy the day or eat lunch. All members are welcome and if you want to bring a prospective member, please do.

All other tournaments will be listed below. If anyone has any questions or concerns, please email me at diamonddesignandconstruction@gmail.com.

The pool and pro shop will reopen in May. If anyone needs a golf cart, please contact us 24 hours in advance and we will try to assist you as quickly as possible.

I am looking forward to having a great year. Golfers, please use your best judgment on cart path only days and please repair ball divots on greens. Due to all the rain, the soils are very soft. Avoid wet areas and stay away from greens and tee boxes.

Oaks golf tournament schedule:

April 20th: fertilizer tournament (member/member or member/guest)

May 10th: Glow Ball (open to anyone) (two man scramble)

July 20th: Leroy (two man scramble)
