Letter from the new President:

Now that the dust from all the golf carts has settled from the Leroy golf tournament, I first want to thank all our sponsors. Without them we would not have been able to put on such a great tournament. We had a full field of golfers with 54 teams on each morning and 54 teams on each afternoon. On Saturday night, we had a delicious dinner prepared by Mr. Charlie's Catering. Thanks to all of the members who participated and made this a great weekend.

Next, I would like to thank Leslie Swords and Amanda Alexander. They worked countless hours preparing for the weekend. Then while everyone was enjoying Saturday night, they continued to work by running the Calcutta.

Also, if you have not met Lisa Morrissett, please stop by the pro shop and have lunch. She has been preparing food for the golfers and swimmers all summer, and this weekend she did an amazing job keeping up with the bustle of all the people coming through her door. Last, but not least, I want to thank Wesley Jumper, Mario, David Jumper and Levi Jumper. They created a great playing surface for the golfers. I did not hear one negative comment.

If you have not come out this summer to check out the place, please come out and bring a friend. Big thanks to Chad Bailey who has made the pool area look as great as ever! We are working continually to keep your club as pristine as possible. Don't forget about our refer a friend member promotion we have going on, keep referring! It is now stackable, therefore the more members you refer, the more years you get the discounted rate. I am very excited to work with our board to keep the club running effectively and look forward to growing our numbers with new ideas.

If you have any comments or suggestions, please email or call me 662-316-9117.

Sincerely,

Charles Brunetti
